INSTALLATION OF SOLAR FILM ON ROOF GLASS PANELS AT PPWC

As part of the improvement works in PPWC, SFA's appointed contractor, M/s Trendbuild Contracts Pte Ltd, will be installing solar film onto the jack roof in August 2024.

2 Two (2) types of solar film have been pre-chosen and pictures as enclosed. You will be invited to participate in a selection process for either one of the solar films to be installed onto the jack roof glass panels in PPWC. The solar film type that receives most number of votes will be chosen for installation.

3 A mock-up display of the 2 types of solar films will be put up. Information on the location to view them and the procedures to participate in selection process of solar film will be given when available.

4 Please contact SFA's Facility Management Contractor (FMC – CBM Pte Ltd) at Tel: 6775 6355 if you require clarification.

5 Thank You.
