

Guide on preparation of document for Food Storage Warehouse

Please provide the layout plan of the food storage warehouse with the following details:

- To label company name & full address of the food storage warehouse, and label the unit/block numbers clearly.
- To label all the rooms (office, toilet, storage room etc), doors/roller shutter, and the location of the racks/pallets/shelves.
- To label the total floor area.
- To label the temperature of the warehouse. Example: 'Warehouse (Ambient)' or 'Warehouse (Air-Con)'.
- To label the chillers/freezers and the temperature. Example: 'Chiller (0-4°C)'/'Freezer (-18°C)'.
