

Suspension of 365 Food Service Pte Ltd food operation

The Singapore Food Agency (SFA) has suspended the food business operations of a food establishment, 365 Food Service Pte Ltd, licensed to operate as a central kitchen.

2 On 7 June 2024, during an inspection of the premises at 239 Pandan Loop, #06-02 Food Concept @ Pandan S(128425), severe pest infestation, poor housekeeping and maintenance, and evidence of workers residing in the licensed premises were detected.

3 In the interest of public health, SFA has directed the licensee to rectify the lapses and take necessary measures to improve the cleanliness of its premises.

4 Food safety is a joint responsibility as food can be contaminated anywhere along the food chain. While SFA continues to be vigilant and works to ensure that regulatory measures are in place and properly enforced, the industry and consumers must also play their part.

5 All food operators should ensure that their premises are clean and well-maintained, and staff are adequately trained on proper food safety management. SFA will take enforcement action against food operators who do not adhere to regulations or comply with food hygiene and food safety requirements.

6 Members of the public who come across poor hygiene practices in food establishments are advised not to patronise them and provide feedback via our online feedback form (www.sfa.gov.sg/feedback) with details for our follow-up investigations.
