

Importer fined \$4,000 for illegal import of fresh vegetables

Seah Kim Chwee, licensee of COC Vegetables Importer, was fined \$4,000 by the Court today for illegally importing fresh vegetables for sale.

2 In May 2021, officers from Singapore Food Agency (SFA) detected 370kg of undeclared fresh vegetables in the consignments imported from Malaysia by Seah. The illegal consignments were seized.

3 In Singapore, food imports must meet SFA's requirements. Fruits and vegetables can only be imported by licensed importers, and every consignment must be declared and accompanied with a valid import permit. Illegally imported vegetables are of unknown sources and can pose a food safety risk (e.g. if unregulated or high level of pesticides are used). The long-term ingestion of excessive pesticide residues through the consumption of vegetables that have been subjected to pesticide abuse could lead to adverse health effects.
