Suspension of On & On Diners Pte Ltd's food business operations

The Ministry of Health (MOH) and the Singapore Food Agency (SFA) are investigating two incidents of gastroenteritis affecting a total of 73 persons who reported gastroenteritis symptoms after consuming food prepared by On & On Diners Pte Ltd between 16 and 18 November 2021. None were hospitalised.

2 In view of the suspected ongoing transmission, SFA has suspended the food business operations of On & On Diners Pte Ltd located at 8A Admiralty St #06-20 and #06-38 with effect from 23 November 2021 until further notice. The licensee is required to clean and sanitise the premises, including equipment and utensils, and dispose all ready-to-eat food and perishable food items.

3 Food safety is a joint responsibility. SFA would like to remind food operators to observe good food and personal hygiene practices at all times. SFA will not hesitate to take firm action against anyone found to be in violation of the Environmental Public Health Act. In the interest of maintaining a high standard of food hygiene at all food establishments, we would also like to advise members of the public who come across poor hygiene practices in food establishments not to patronise such outlets but to report to SFA via the online feedback form (www.sfa.gov.sg/feedback) with details for our follow-up investigations.
