Expiry date – 040820, 260820, 290820

MEDIA RELEASE

3 *Pseudomonas aeruginosa* is a common environmental bacteria and can be found in faeces, soil, water and sewage. It can multiply in water environments and also on the surface of suitable organic materials in contact with water. Use or consumption of products contaminated with *Pseudomonas aeruginosa* can cause a range of infections but rarely causes serious illness in healthy individuals.

4 Consumers who have the implicated products are advised to not consume them. Consumers who feel unwell may wish to seek medical attention. For enquiries, consumers may contact BSY POWER OF LIGHT TRADING PTE LTD at 9756 8786 or via enquiries@bsytrading.com.
