

**Voluntary withdrawal of RIBENA® Concentrate**

15 August 2017 : Suntory Beverage & Food Singapore has voluntarily withdrawn specific batches of “RIBENA® Concentrate” products of all pack sizes as a precautionary measure, as some products may not meet its quality requirements. The withdrawal has been completed.

2 During the company’s routine quality check, it discovered a faulty bottling machine which allowed air to enter random bottles. Affected bottles may spoil before the stated expiry date. Details of the implicated products can be found below.

3 Consumers may contact the RIBENA® Consumer Hotline at 1800-645-9551 or email [marketing.sg@suntory.com](mailto:marketing.sg@suntory.com) for enquiries.
